

The Big Picture

- Vision
 - Learning for all - every student proficient in each subject area.
 - Making great teaching happen for every child, every day in every classroom.
- *Do you understand? Why is it so critical?*
- *What have you done to help others understand?*

The Big Picture

- Beliefs

- Virtually every student can meet the 21st century standards of education.
- All kids can learn.. and its our responsibility to do whatever it takes to make it happen for each student.
- Everyone in the organization is accountable, all the time.
- We know what works in teaching and learning - there is agreement on best practice.
- All parents have dreams for their children and want the best for them.
- The single most important element in the overall success of a school and of a student is a teacher.
